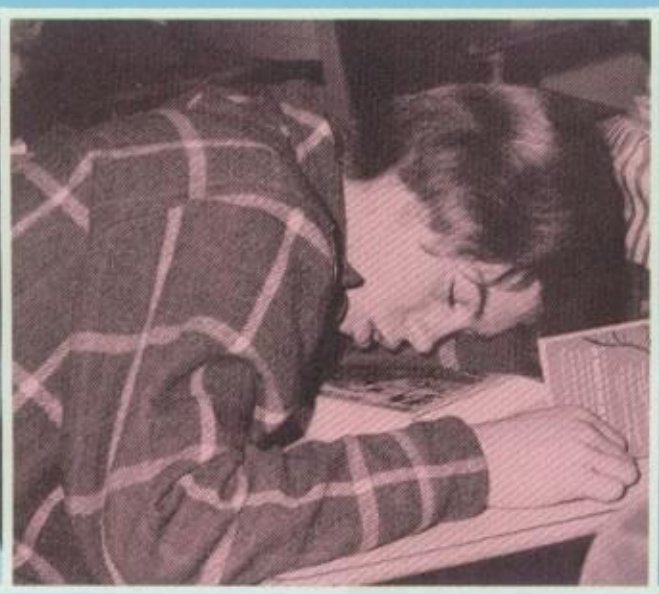
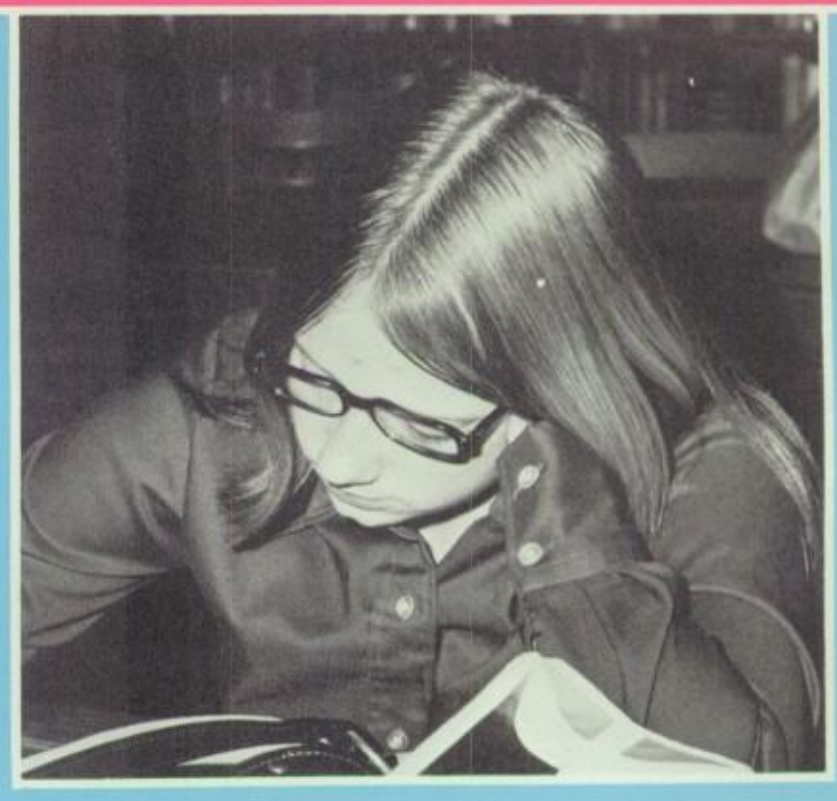
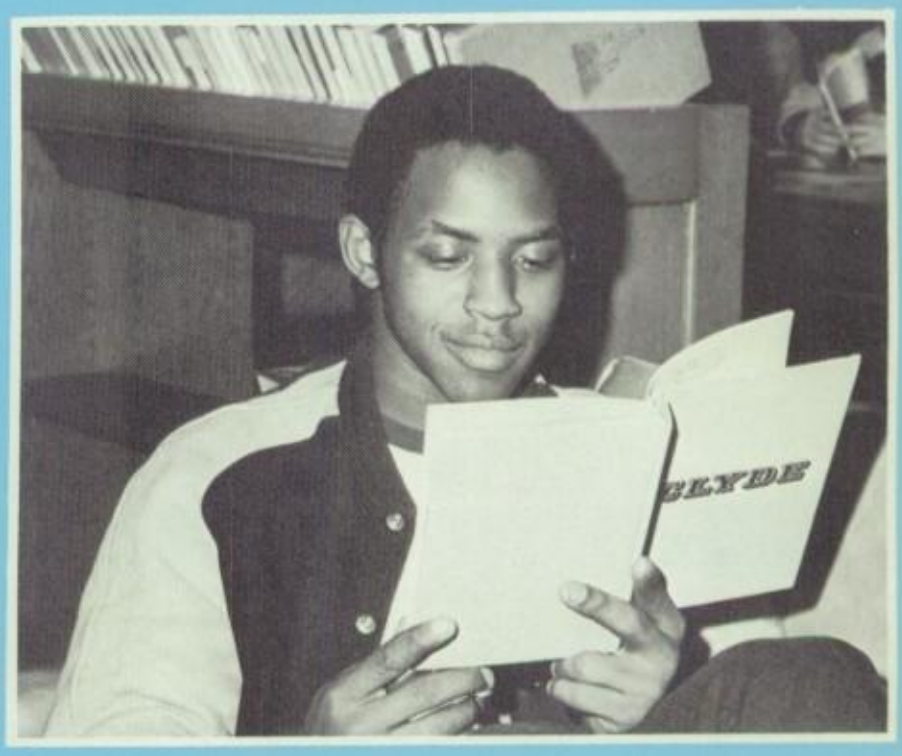
TIME

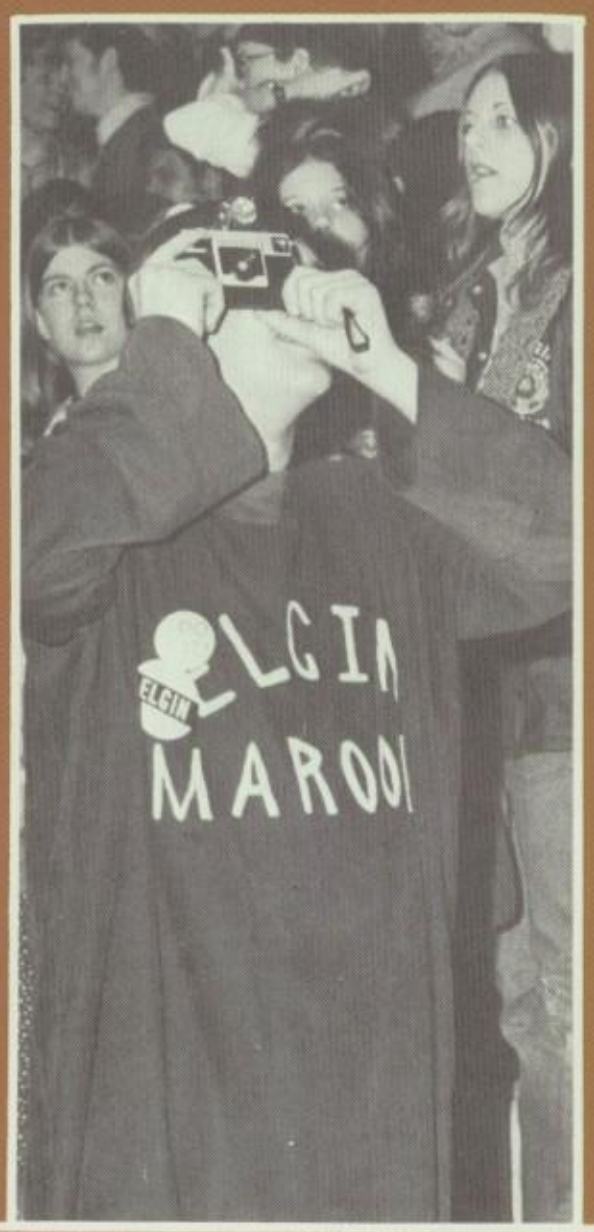
Occupying their time, the students always seemed to be able to find something to do. Some students did their schoolwork, others read, or just talked, still others utilized their extra minutes catching up on their sleep. All in all students of EHS in 1972 had something to do some of the time.







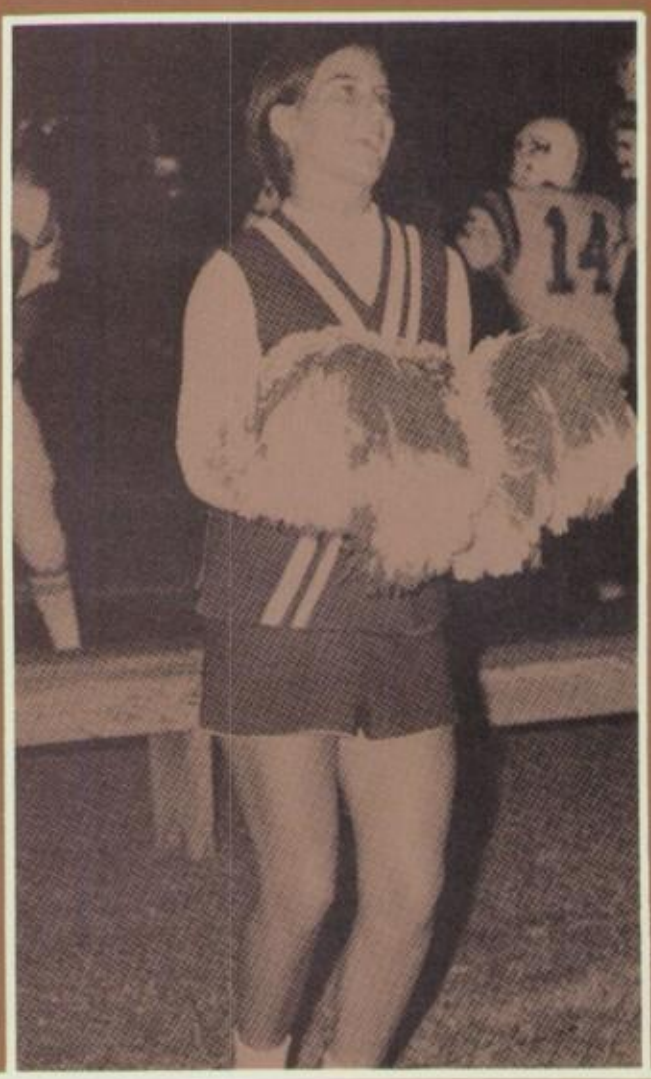
CLYDE

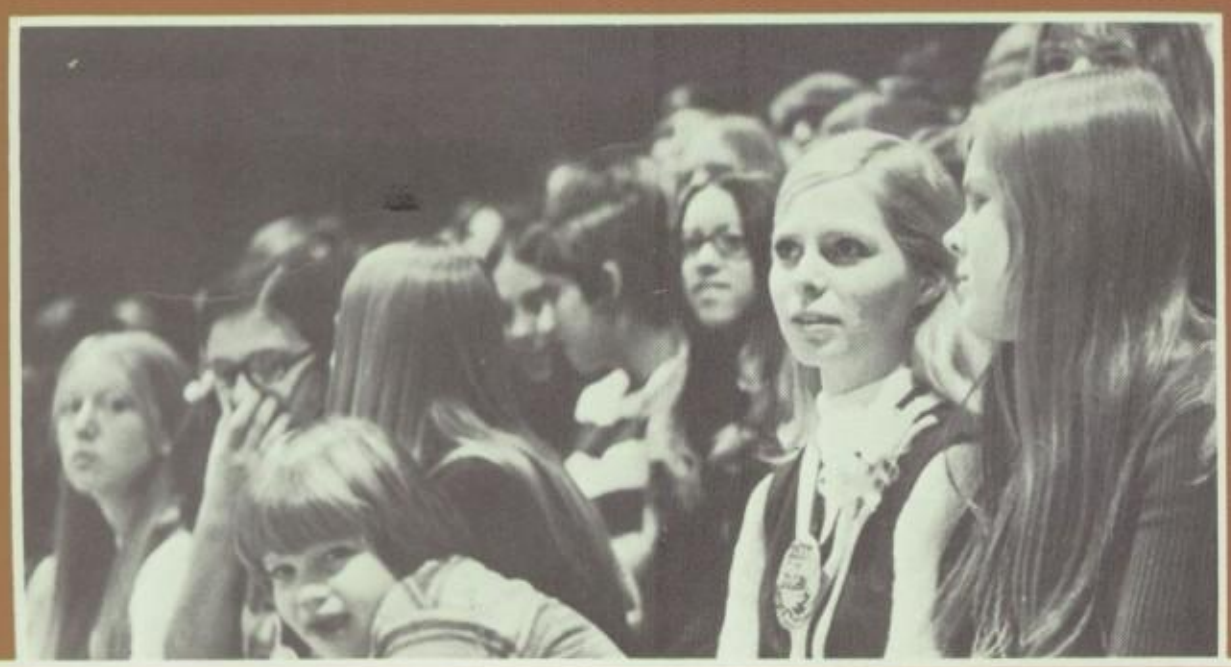


SPIRIT

Amid the screams of joy and anguish one can still hear the shouts of, "Go You Mighty Maroons" and, "We Don't Mess Around." Whether outside or inside, the fans always helped the team to keep up their spirits whether they won or lost. The sad, joyful gleams of victory and defeat can always be remembered on the faces of the cheerleaders, pom-pom girls and also the illustrious fans.

ELGIN HIGH SCHOOL
MAROONS





MEMORY

Empty hallways will long be a rememberance of Elgin High School. The clocks that never worked too, will stick in our minds as a great memory. The Pep Band's great sound, bellowing from the balcony in the spirited gym of Friday and Saturday night basketball games, and band performances at halftime of football games, will be an outstanding asset to the year 1972 at Elgin High.

HOMECOMING

Once upon a time, Elgin High School had a homecoming. The old woman in the shoe brought all the kids to the crowded assembly and then went to watch 'Little Red - Riding Hood' throughout Elgin in the famed parade. The Senior's Humpty Dumpty sat on his wall, this Humpty Dumpty was very, very tall, and all the senior women and all the senior men had kingsize fun building a float again.

At half time of the football duwel, the pretty maids stood all in a row and Terry Lange proved fairest of them all. King John Pappas was selected to complete the reigning couple. The Maroons made the Tomcats purr as they skinned them 28-20.

In the gym where incredible dreams are frequent and impossible hopes come true, Cinderella watched with the Rub-a Dub-Dub men as young people enjoyed the fantasy of Homecoming Dance.

Postponed to a later date, lots of seniors went up the hill at the annual Bar-B-Q. Many fell down, all were clowns, and each lived happily ever after.

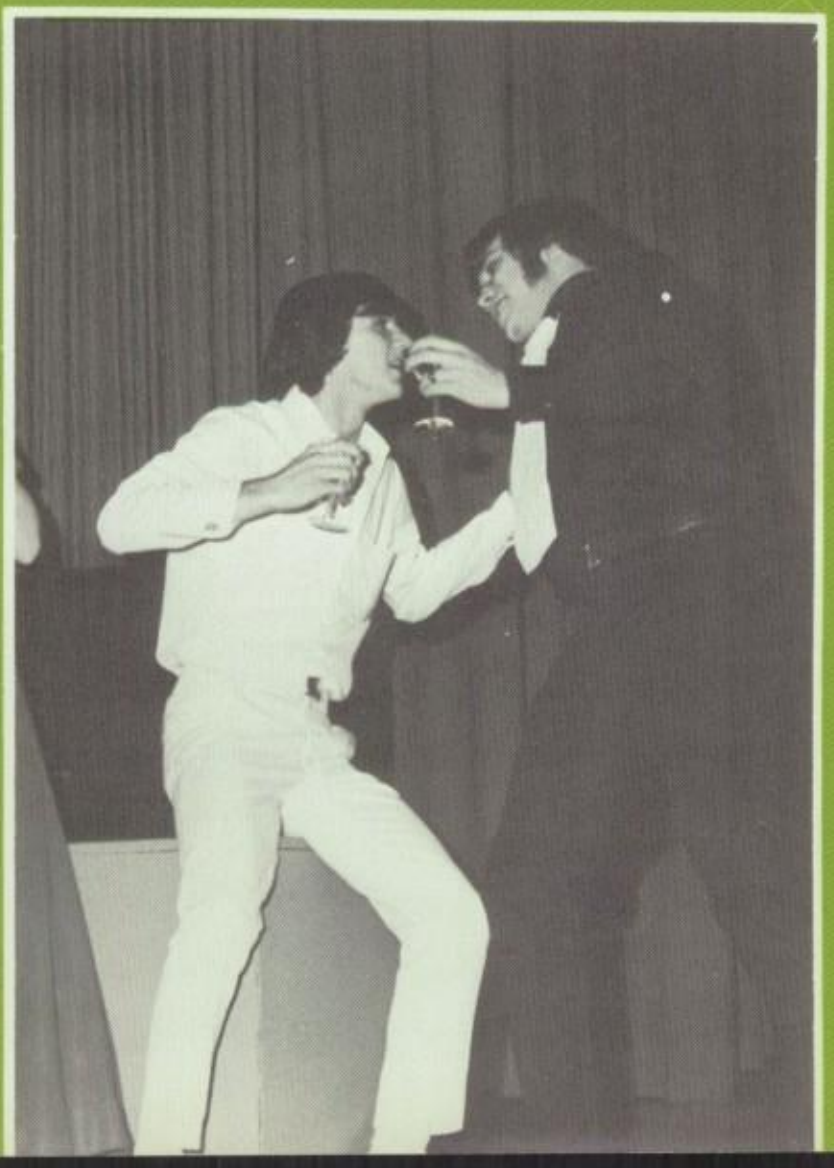
NEXT AND ADAPTATIONS

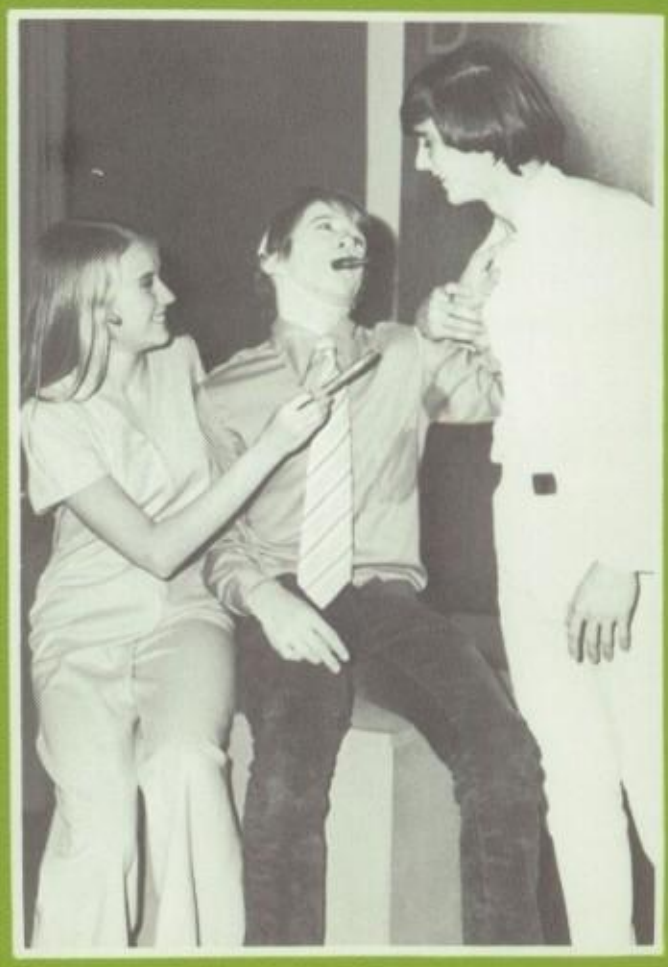
This year's play consists of two "off Broadway" comedies, NEXT and ADAPTATIONS.

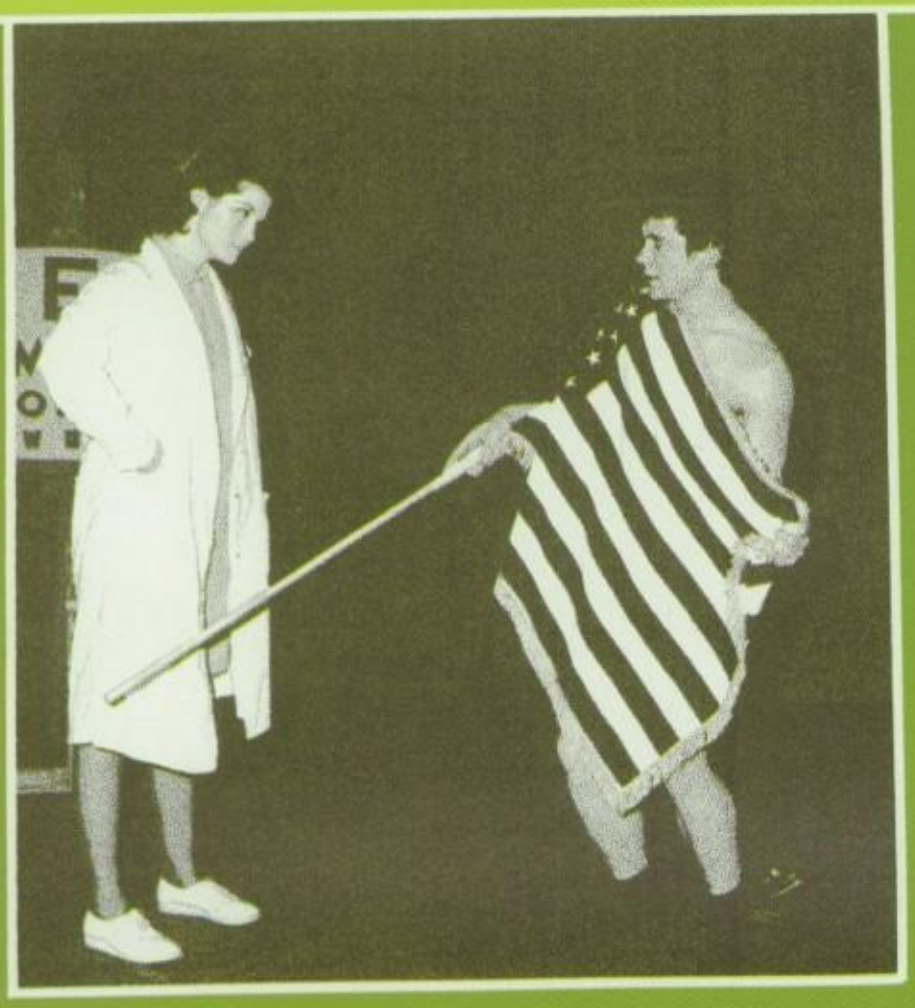
Next, was the story of a soldier who was faced with getting a physical, from a woman doctor. She created an uproar of laughter through the whole play. With a two man cast of Mike Dwyer and Sue Travis, the play was a great success.

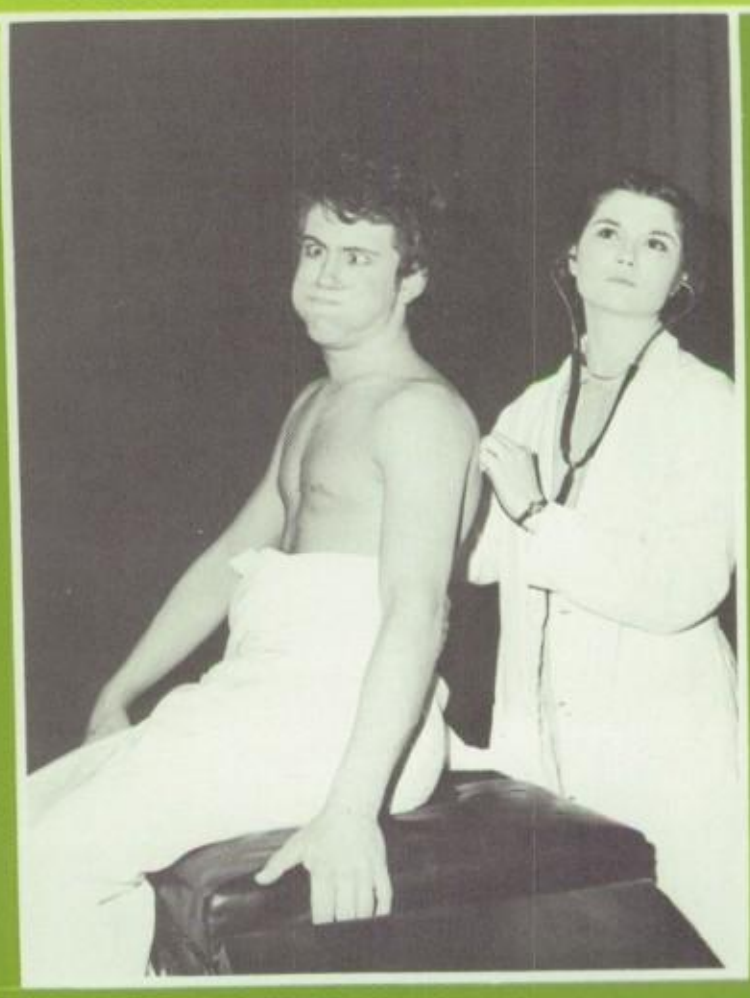
Adaptations presented the game of life on stage. Under the direction of M.C. Ned Rifken the players proceeded on their way around the board partaking in all aspects of life. Dean Lowe, Nancy Broker, Kay Hise, and Keith LaPraire constituted the cast which again assembled to create laughter.

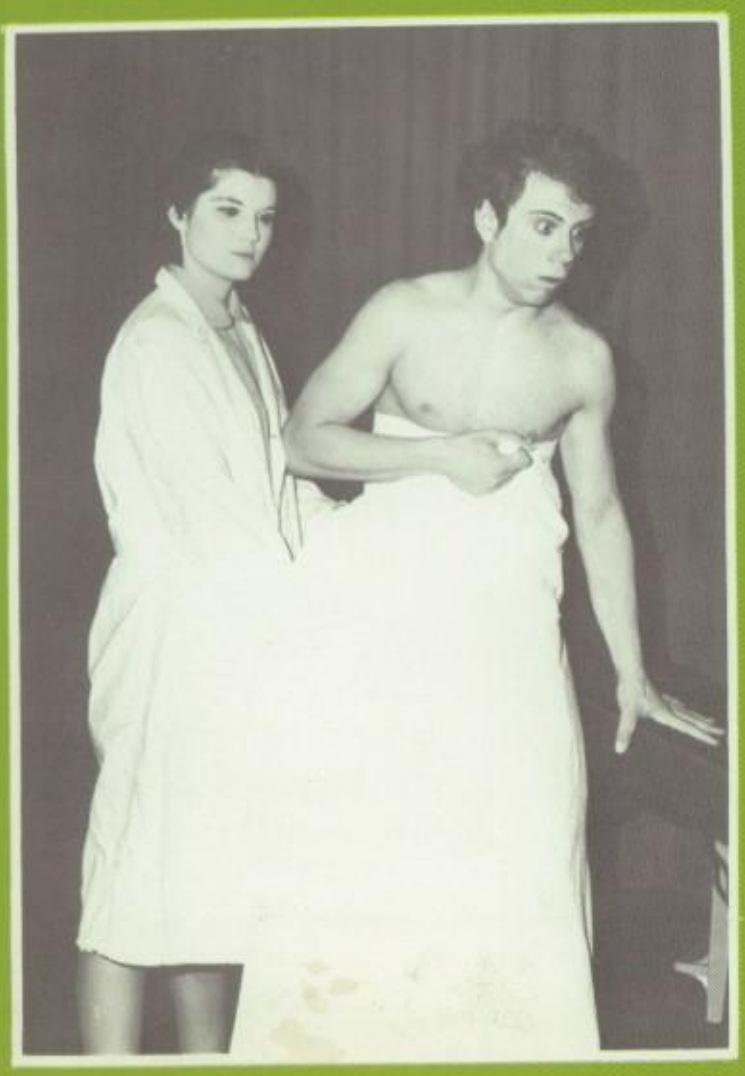
Both plays were successfully presented under the direction of Raymond Goettsch and help from many hard working students.











DAD N' DAUGHTER DATE NIGHT

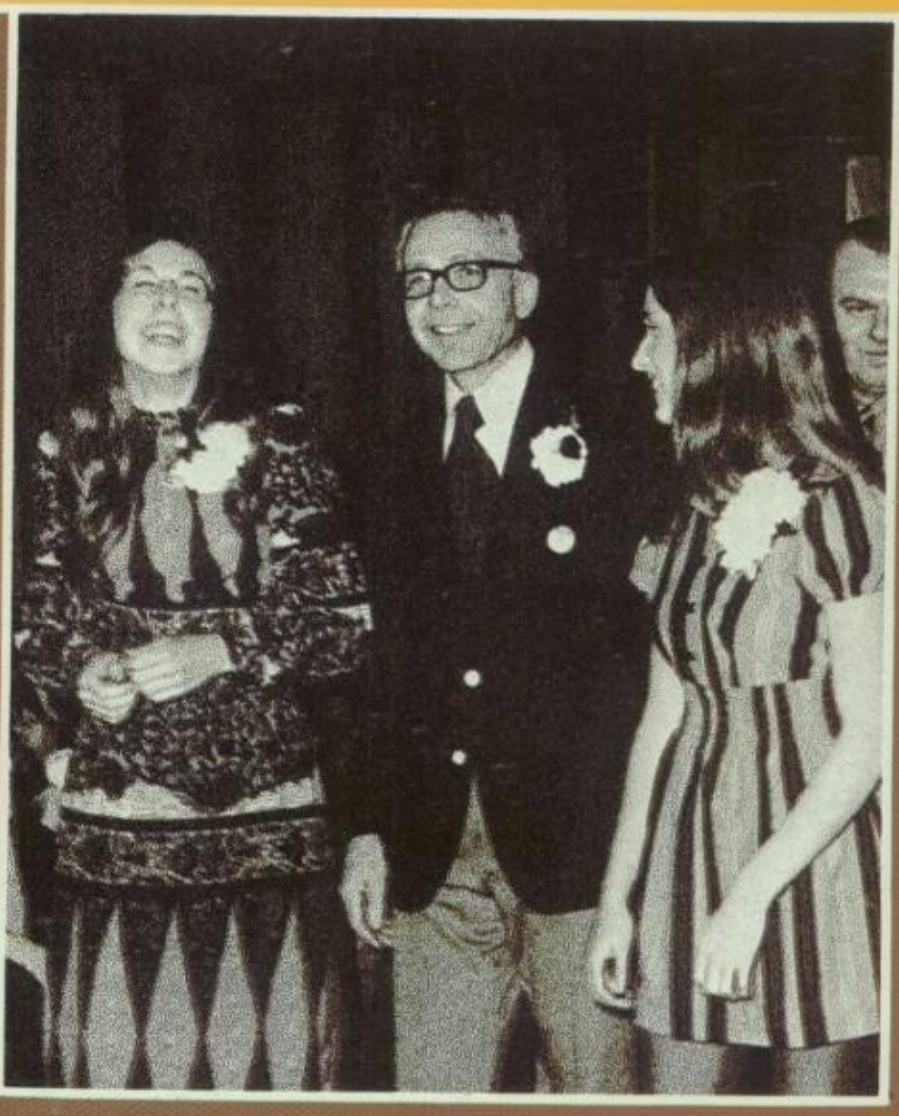
A father is taken for granted,
And just once he should receive
A reward for the trouble he's handed,
From the daughter you wouldn't believe.

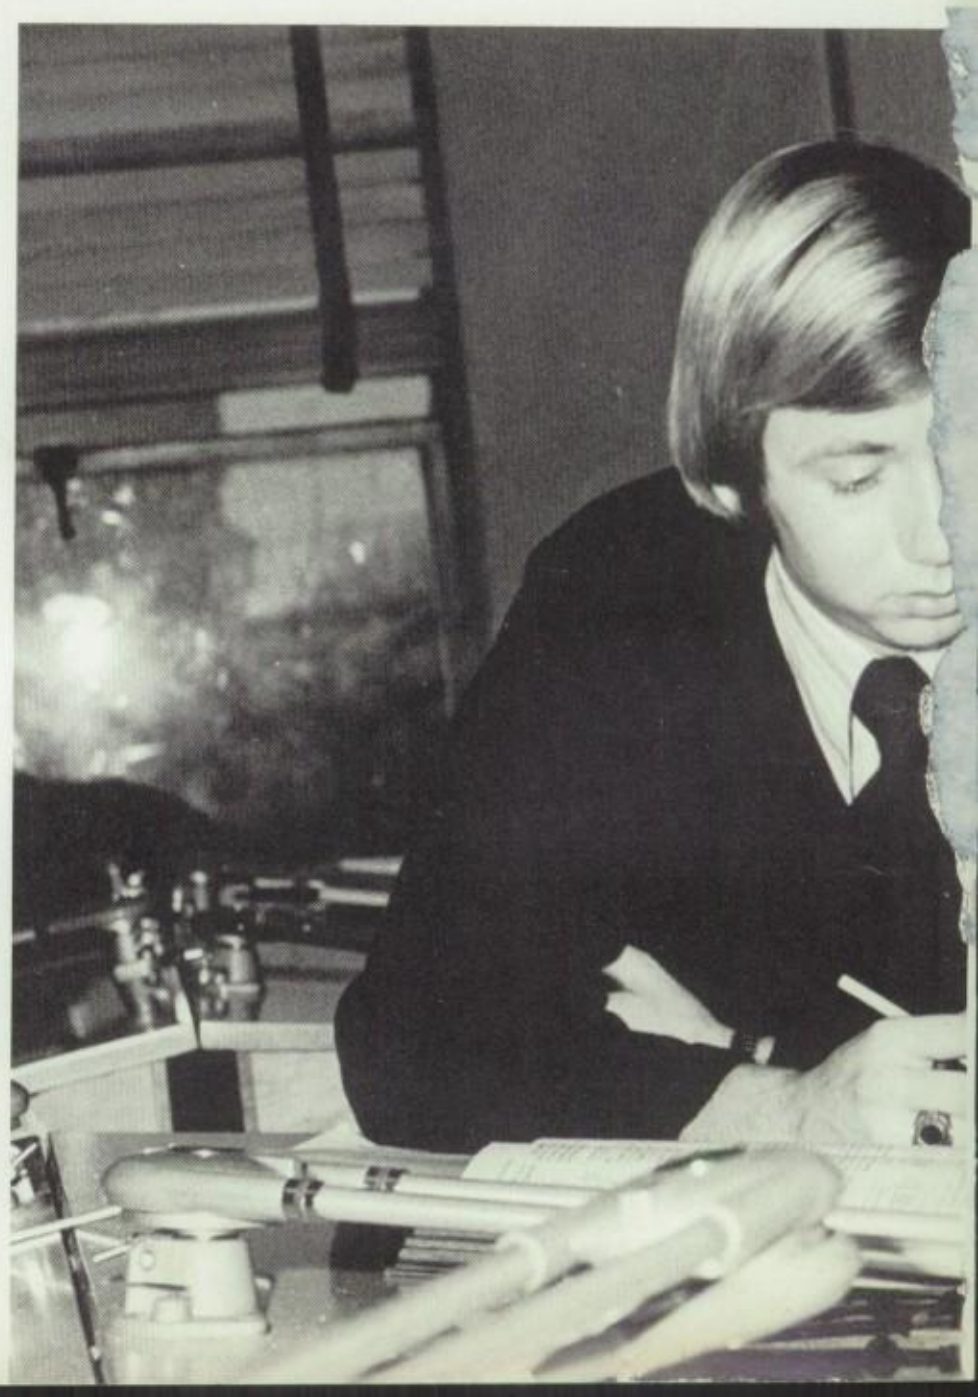
Dad 'n' Daughter Date night arrives
Her chance to show him respect.
With dinner and dancing — Surprise!
She even ends up with the check.

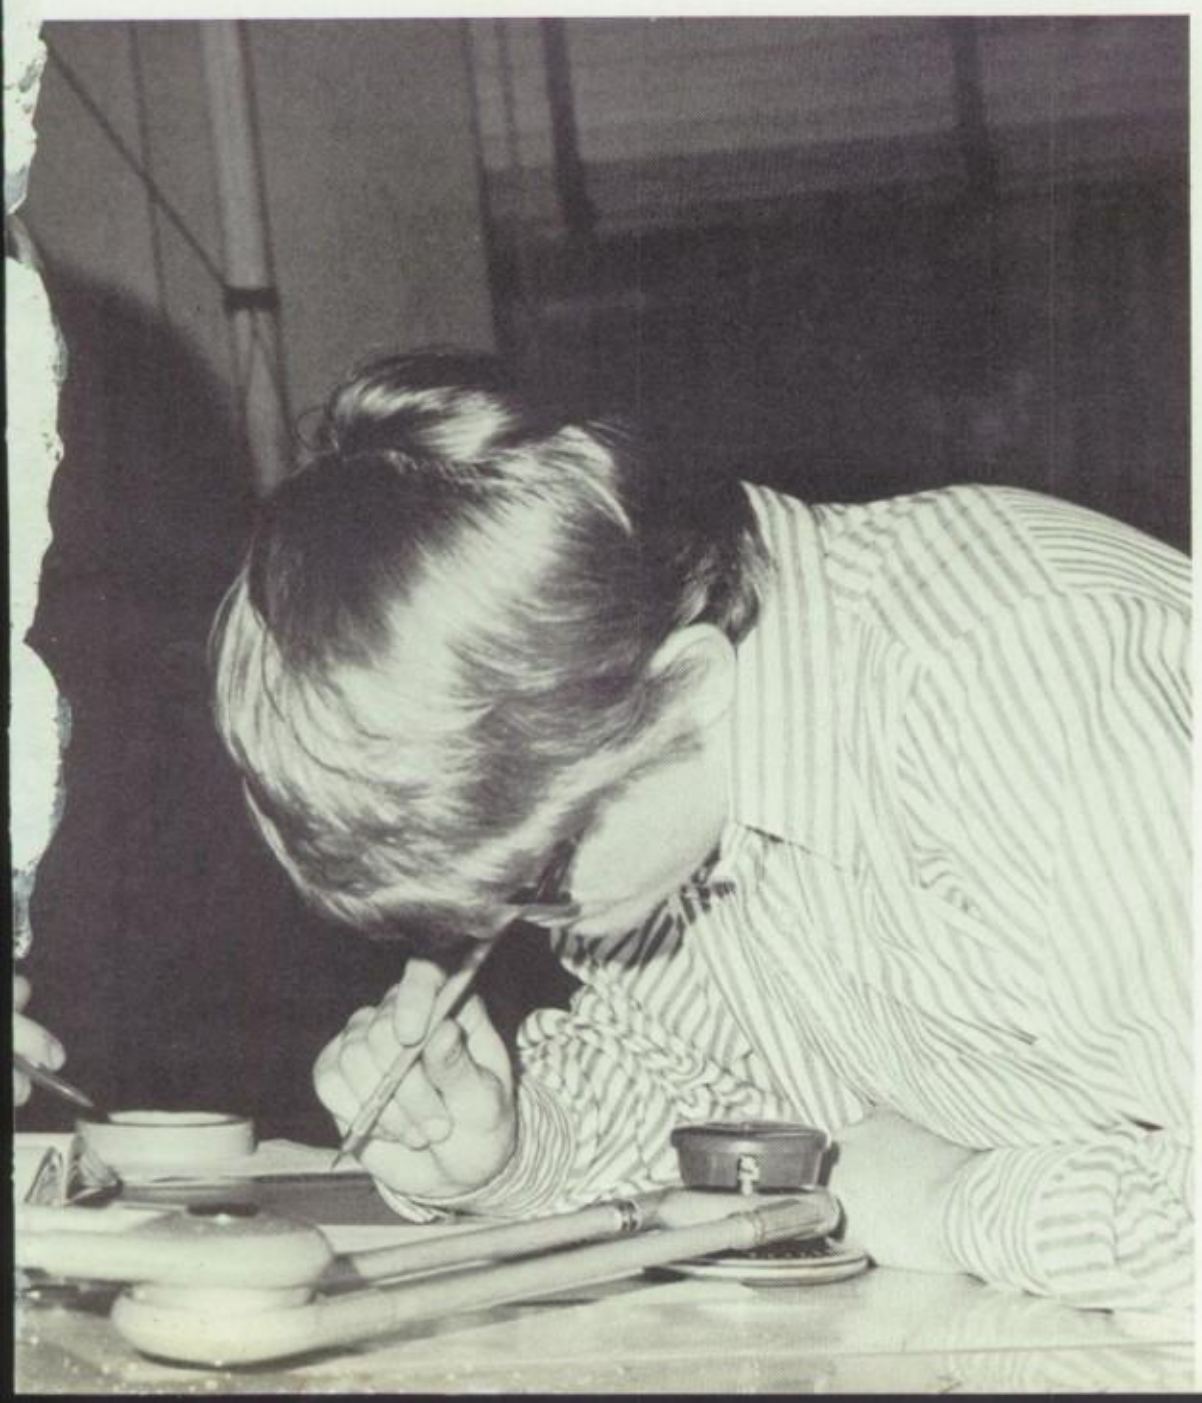
The boy's ensemble did sing
Of love and the girl next door,
While dads soon felt as kings,
Girl's Club was planning more.

A speech by Nora Vaughan
Brought laughs and a real good time.
It ended with smiles and yawns,
She should be in bed by nine.

At last the night was at end,
Back to mischief and trouble.
Say good night to many a friend,
And please be glad she isn't a double.







Personalities

Remember the meetings at that certain locker, The periods spent in some particular room, the Early difficulties in locating the north wing, elbowing through the crowded halls, the privacy inside the Chicago Street entrance, the dances in the old gym, the corner during the noon hour? These are fond memories and the statement, "Those were the days," will be made many times. Yet, the move to the new Elgin High School represents needed change and to opportunity for new experiences. Undoubtedly the eventual memories attachments will follow.

For all of us it represents a change in our lives and the community. Those of us who make the move and those who follow must meet the challenge to continue in the new building the kind of fine educational program for which Elgin High School has long been known.

BOARD OF EDUCATION

Each year, as District U-46 grows larger, the Board of Education finds itself involved in more complex and time consuming activity. The necessity for providing the additional 1200 to 1500 new students each year involves planning years ahead to make sure there are adequate buildings, staff, and material to take care of that growth. The new Elgin High School is the result of a board issue submitted to the voters by the Board of Education. With the authorization of the voters to proceed, the Board hired architects, called for bids on the specifications, and awarded the contracts — and our new school became a reality. In a constant attempt to keep the educational opportunities at the high level traditional with Elgin Public Schools (and Elgin High in particular) the Board of Education is the final authority on all matters of school policy. Any innovative programs that promise better education are reviewed and, if found valid, are implemented in the districts educational program at the proper level. Only dedicated and public spirited citizens of the district would accept the challenge of being a member of this board.

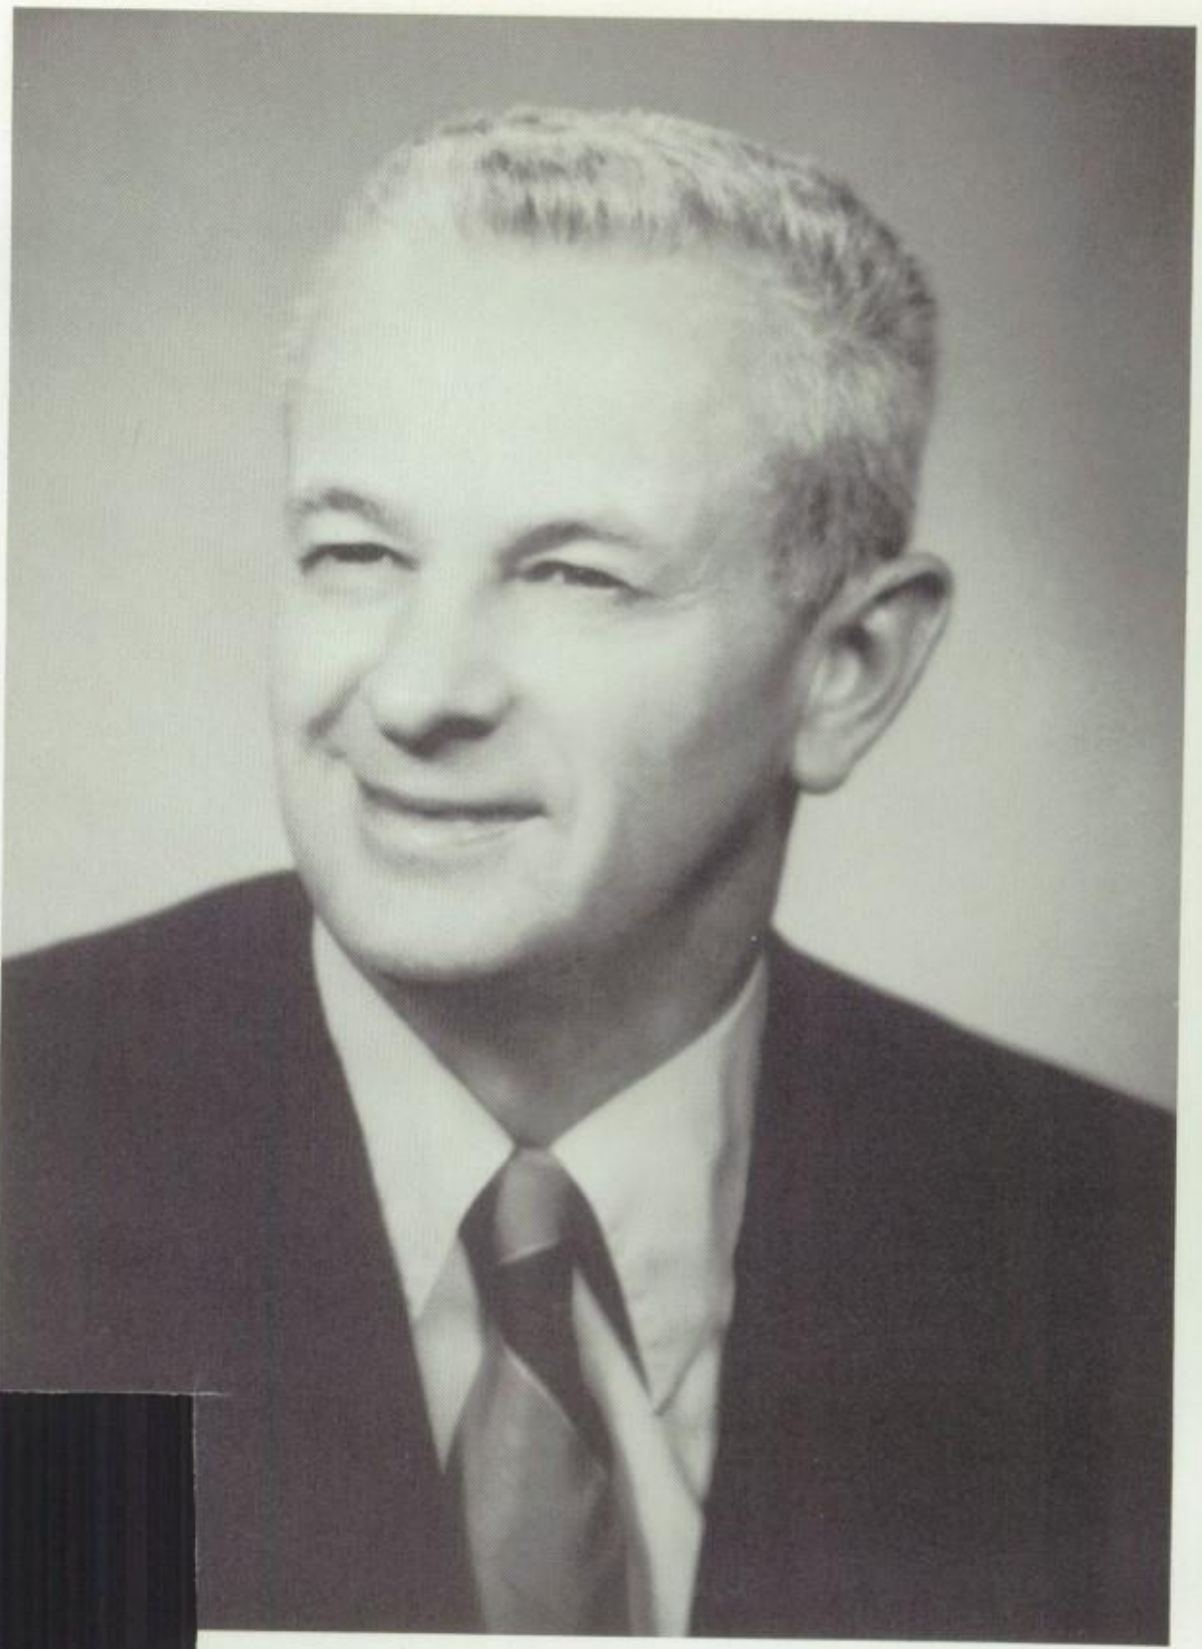
PRINCIPAL CHESTER ALEXANDER



Elgin High School is not really a building, nor contained in a building. She is in the hearts of the thousands who have marched through her halls in search of knowledge, and in the minds that hold that knowledge. She is flesh and blood — students and teachers alike. Once hers, you are part of her tradition forever. True, a new building of brick and stone will be called, "Elgin High School", but the Old Girl is just getting a "face lift". No real part of her will be left behind, for her char-

COOKS AND SECRETARIAL AIDS

Cooks. **Bottom to Top, Left to Right. Row 1;** Grace Kruslmiier, Marie Davis, Florence Cline, Dorothy Alton, Ruth Peterson.

Patti Michelson, the new Attendance Secretary, came in the middle of the year and took Mrs. Hamburgs place.

The Cooks at EHS spent their mornings cooking well-balanced lunches for the student body, as well as the teachers. The menus were made up a week in advance. The a la carte line included such things as ice cream, potato chips, and cold drinks.

The Secretarial aids were a new addition to this years staff. They spent their days doing clerical work for the busy teachers.

MAINTENANCE AND CUSTODIAL CREWS

Students sometimes act as if the school just happens to be fresh and shiny every morning, and the temperature just happens to be comfortable and the sidewalks just happen to be cleared of the previous night's snowfall. The truth, however, is that the custodial staff at Elgin High is constantly challenged to keep our school in operation for "one more year". A building as old as parts of Elgin High School are requires considerable more maintenance and repair then will our new building, and the fact that the old building remains in good shape is a tribute to Mr. Clarence Zimmerman, head custodian, and his crew.

CLASS OF 1972

A century of seniors classes have passed through the various halls of Elgin High. The class of 1972, the 100th senior class, in no way dimmed the luster of previous classes. Under the leadership of Bruce Morton — President; Keith Schmidt, Vice-President; Colleen Kittelson — Secretary; and Jeff Carlson — Treasurer; the class took part in many of the organizations and extra-curricular activities. The Senior Spirit carried them through preparation for Homecoming with the results of Most Beautiful Float and many hours of fun. The 72nd day of the year, class supper and graduation held the class together with a common bond of unity. A debt of gratitude is due to Mrs. James Aydt, sponsor, for her help with triumphs and frustrations of trying to keep more than 500 seniors proud to be of the great class of 1972.

CLASS OF 1974

The big class of 1974 started their first year at Elgin High seeking a sponsor. After a long wait they finally got a volunteer, Mr. Wallace, and thus proceeded on in the year by electing officers. They were President — Jeff Curtis; Vice-President — Garry Pappas; Secretary — Judy Tucker; and Treasurer — Kathy Hajdu. They chose as their motto; "We are the Future", Colors; Purple and Gold, Song; "You've Got a Friend". Flower; Forget me Not, and the mascot — the Panda Bear.

The class of 74's main interests were to raise money for the next years prom, accomplishing just that by selling pretzels and having Bake Sales.

Class Officers, **Standing:** President — Jeff Curtis, Vice Pres. — Gary Pappas. **Sitting:** Secretary — Judy Tucker, Treasurer — Kathy Hajdu.

FOOTBALL

Elgin High's Football Maroons gave its fans moments not to be forgotten (like the come-from-behind 28-20 victory over East Aurora at Homecoming, and a 30-28 upset against powerful West Aurora) but it was also an ulcer-producing year for Coach Dick Stephens as the Maroons built a 22-6 lead on St. Charles (the eventual UEC champs) and then settled for a 22-22 tie. After that tie, the season was downhill with losses to Naperville and Larkin. All-conference honors were bestowed on Mike Welu and Mickey Biskup. Teammates selected Junior Steve Corn as Most Valuable Back and Welu as Most Valuable Lineman. Willie Evans was named Most Improved and Jeff Zappia chosen Player with Most Hustle.

Stamina and a desire to win followed the 1971-72 varsity cross country team through the season. They ended their season with a record of eight wins and five losses and took third place in conference.

Under the leadership of Rodney and Roger Hopkins and coach Dick Kay, the durability of each individual was increased and this year the newly formed Junior Varsity team helped the entire group to excel.

Among the many wins of the team was a first place win in the Kane County meet and nineteenth place in downstate competition for Rodney Hopkins.

The Junior Varsity team ended the year with five wins and two losses and the sophomores ended their season with four wins and nine losses.

Bottom to Top, Left to Right. Row 1: Mark Kimet, John Shorey, Mike Kennedy. **Row 2:** Steve Werrbach, Dean Smith, Rodney Hopkins, Ron Mui, Bob Carlson, Scott Quilter. **Row 3:** Coach Duffield, Coach Hudgens, Dennis Sitzler, Joe Volant, Al Berges, Steve Childs, Rodger Hopkins, Coach Freedland. **Row 4:** George Arsonidias, Steve Bergholt, John Meyer, Mike Welu, Hans Christianson, Mark Ross. **Row 5:** Bill Null, Dan Jasker, Mickey Biskup, Terry Drake, Rich Bingamann, Bob Ross.

Coach Bob Duffield's thinclads felt the min-season less of the Hopkins twins, but the remainder of the squad carried on in the Maroon tradition of giving a little more than expected. Werrbach and Biskup could be counted on to score heavily in the weight events, and Dean Smith was consistant in the 440 and qualified for state in that event. The mile relay team (Joe Volant, Bob Carlson, Steve Childs, Dean Smith) represented Elgin in the State Meet at Charleston. The sophomore's first-place finish in the UEC promises brighter days ahead.

Elgin's Wrestling team under the leadership of Coach Johnson had a good year. The squad placed 4th in the Proviso West Quadrangular, 8th in the Dixon Invitational, and 3rd in the Kaneland Invitational.

Andy Williams became Elgin's first UEC champion and the best heavyweight in the school's history. He ended his varsity season with a 26-6 record and 28 pins.

The future of Elgin's wrestlers looks very bright with many fine junior and sophomore wrestlers coming up.

This years basketball team exhibited smoothness and a true sense of team work. With a slow start, they came through, challenging for the conference, right up to the last week of the season. Their record this year was 17 wins and 9 losses, and they became a real threat in the Upstate Eight Conference. This years Maroons can be recognized as a team with a great destiny and many great players in the making.

Trying to compile typing, picture schedules, writing, editing, and deadlines isn't always easy. But the staff has worked very hard in making the last **Maroon** from old Elgin High a true success. Amid Sue Scholl's and Kathy White's down to earth reasoning as well as their worries, along with the rest of the staff hurrying to get the job done — none of it could have ever been the same without Mr. Daniels finishing touches and much needed advice. It has been enduring as well as fun — but most of all it has been as experience we will never forget.

Mr. Altys Daniels — Advisor.

MIRROR

Producing a school newspaper is one of the many learning experiences for students at Elgin High School and the 1971-1972 Mirror was one of the best.

Nolan Hester, editor-in-chief, together with co-editors, staff, and advisor, Mrs. Margaret Kuntzleman, produced a bi-monthly newspaper which not only stated news events but included columns of both student and teacher opinions. Some of the new additions this year were "Dear Mike and Nora", Movie Reviews, and many original poems by students. The growing popularity of the paper was evident through the increased amount of subscriptions and sales.

Julie Wandel spent her junior year there. The American Field Service Club's objective is to build a better understanding between nations of the world. This is accomplished by bring students from foreign countries to study with Americans and to send American Students abroad.

BAND

Band at old Elgin High School ended on a good note. This years Band was full of enthusiasiam and good music. Besides marching at football half-times, the band gave two excellent concerts, marched in the Memorial Day parade and the traditional Homecoming parade, and went on a field trip to Madison Wisconsin. Good music, and tremendous talent made this years band an attribute to the school and an example for coming years.

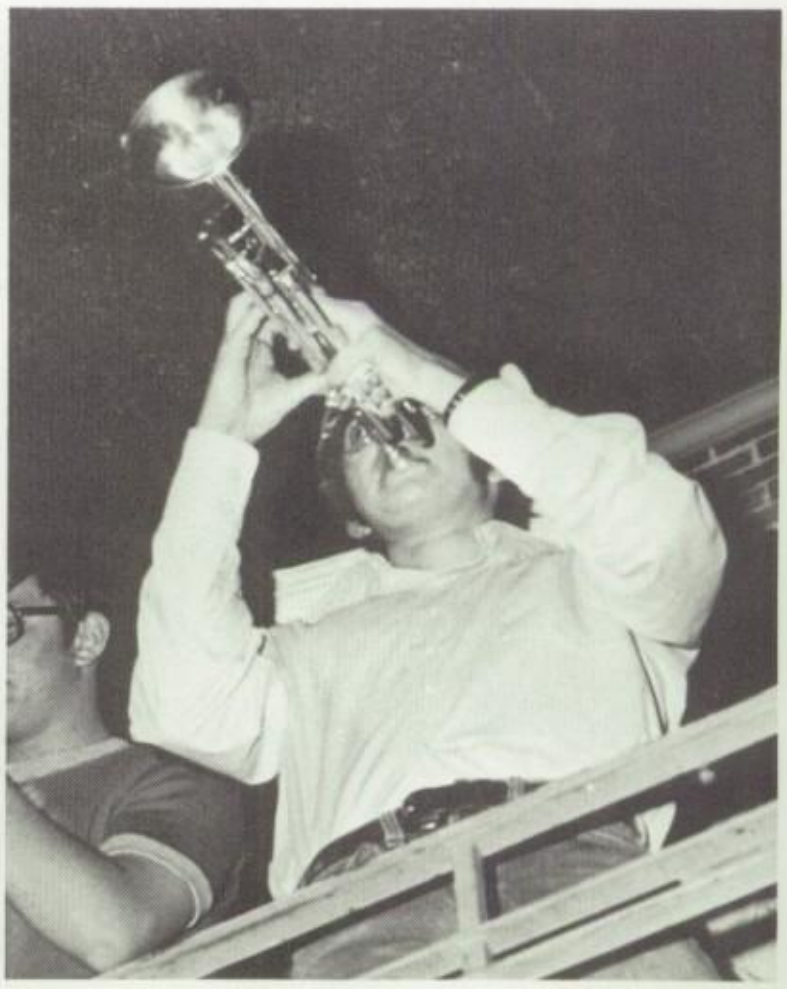
PEP BAND

It must be said for the Pep Band, that their enthusiastic music was enjoyed by everyone. Getting each basketball game started off with a crash of the cymbals and a beat of the drumb helped put everyone in the spirit that even the players themselves enjoyed. With Mr. Leaderman, Tom Schnieder, even some of the band's more sour notes were made beautiful.



PEP CLUB

An effort was made earlier this year in trying to form a large, organized Pep Club. But it was finally decided to let the group consist of only a few. Their main objectives were to sell pep buttons, Maroon jackets, and to make signs to promote spirit at games and meets. Each individual student and fan shared in proving that Elgin High School had school spirit and proved it well.

Officers, **Left to Right. Row 1:** Becky Gough, Terry Gergerding, missing: Laura Kawa.

ELGIN HIGH

Many years have past at Elgin High School and many great people have entered and left it, but even though the building is old and holding its last class of high school students, it has carried out a great tradition of having an active student body and faculty. So even when everyone is gone, let us hope we all remember the building and what it stands for. Life and Unity.

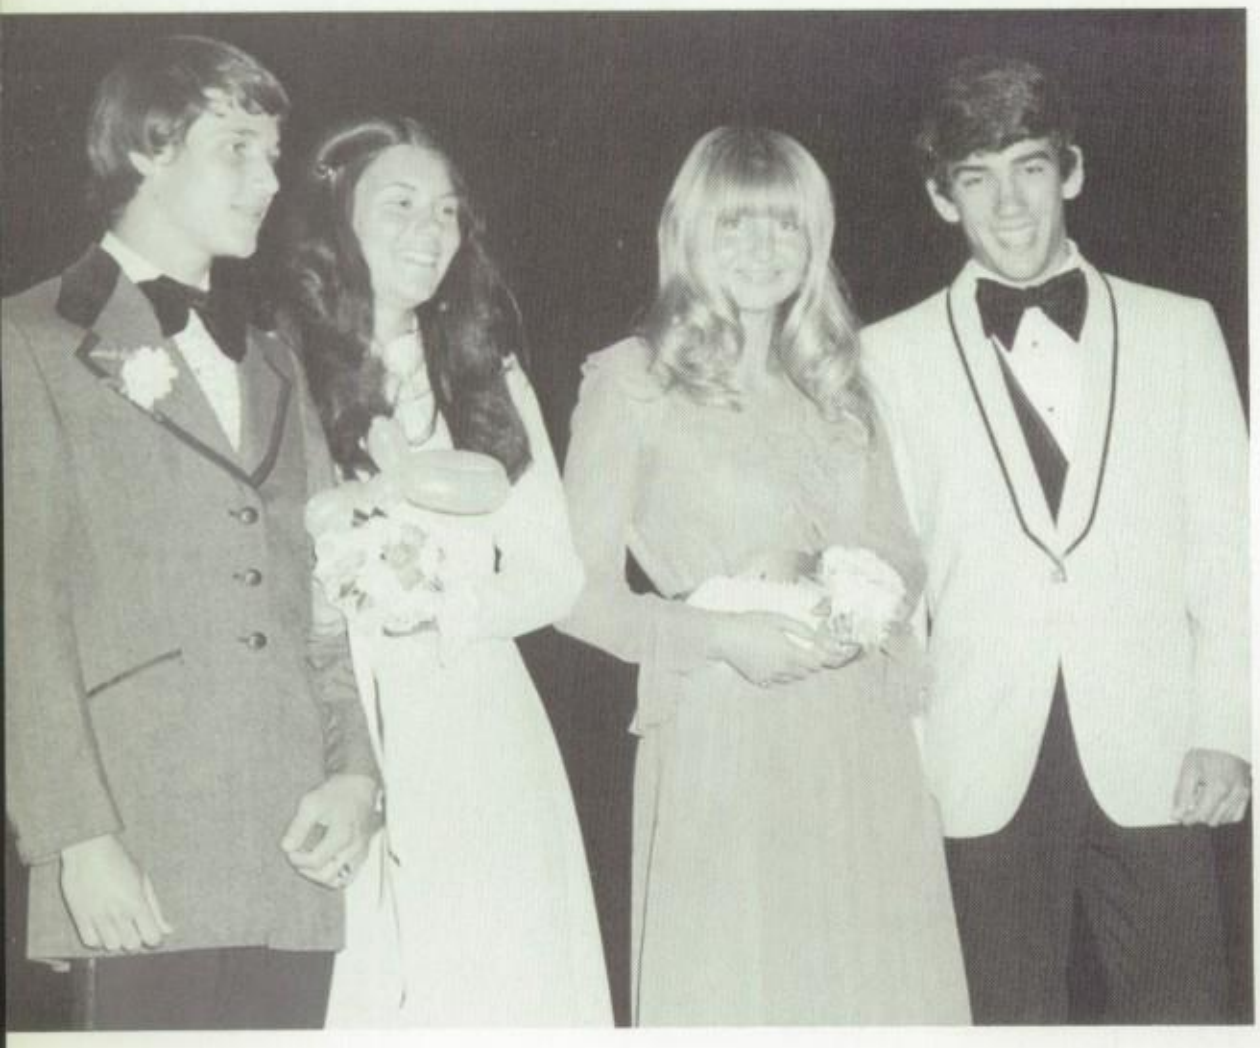
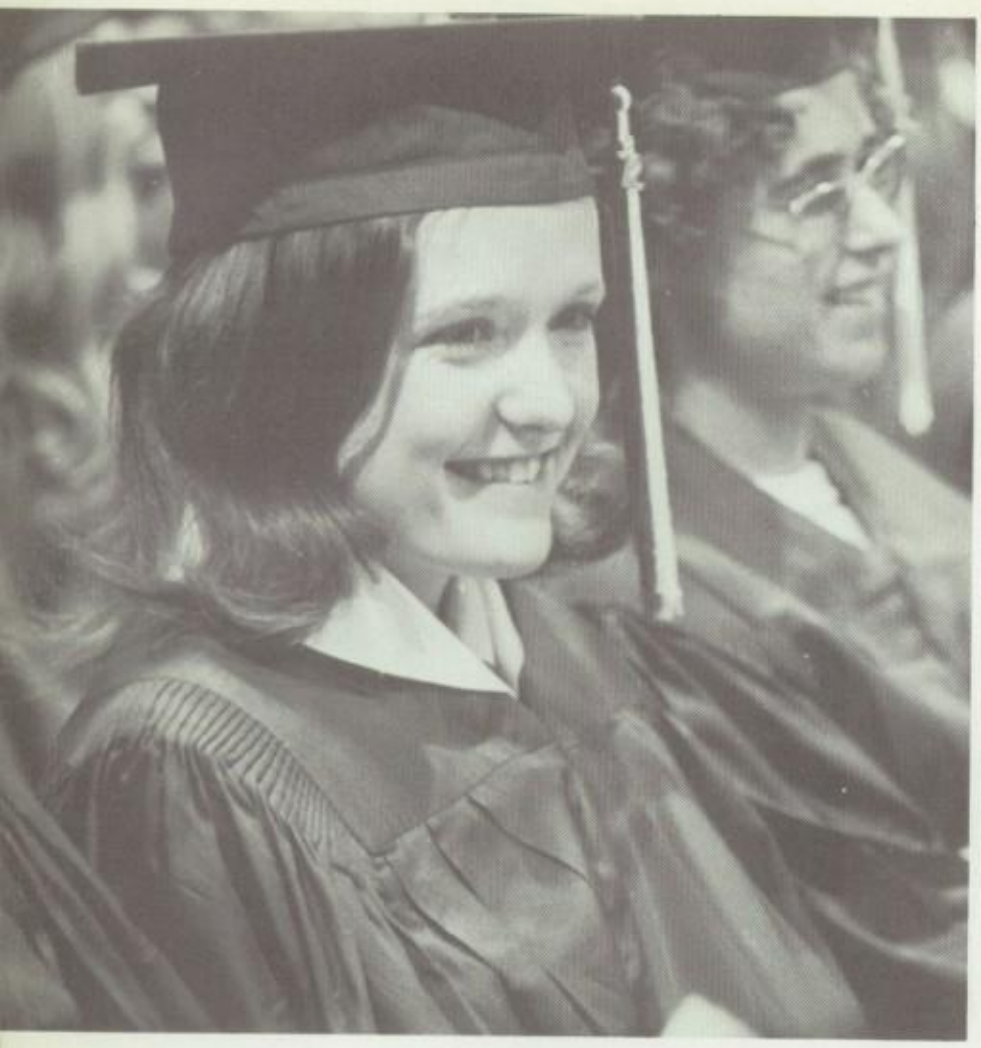
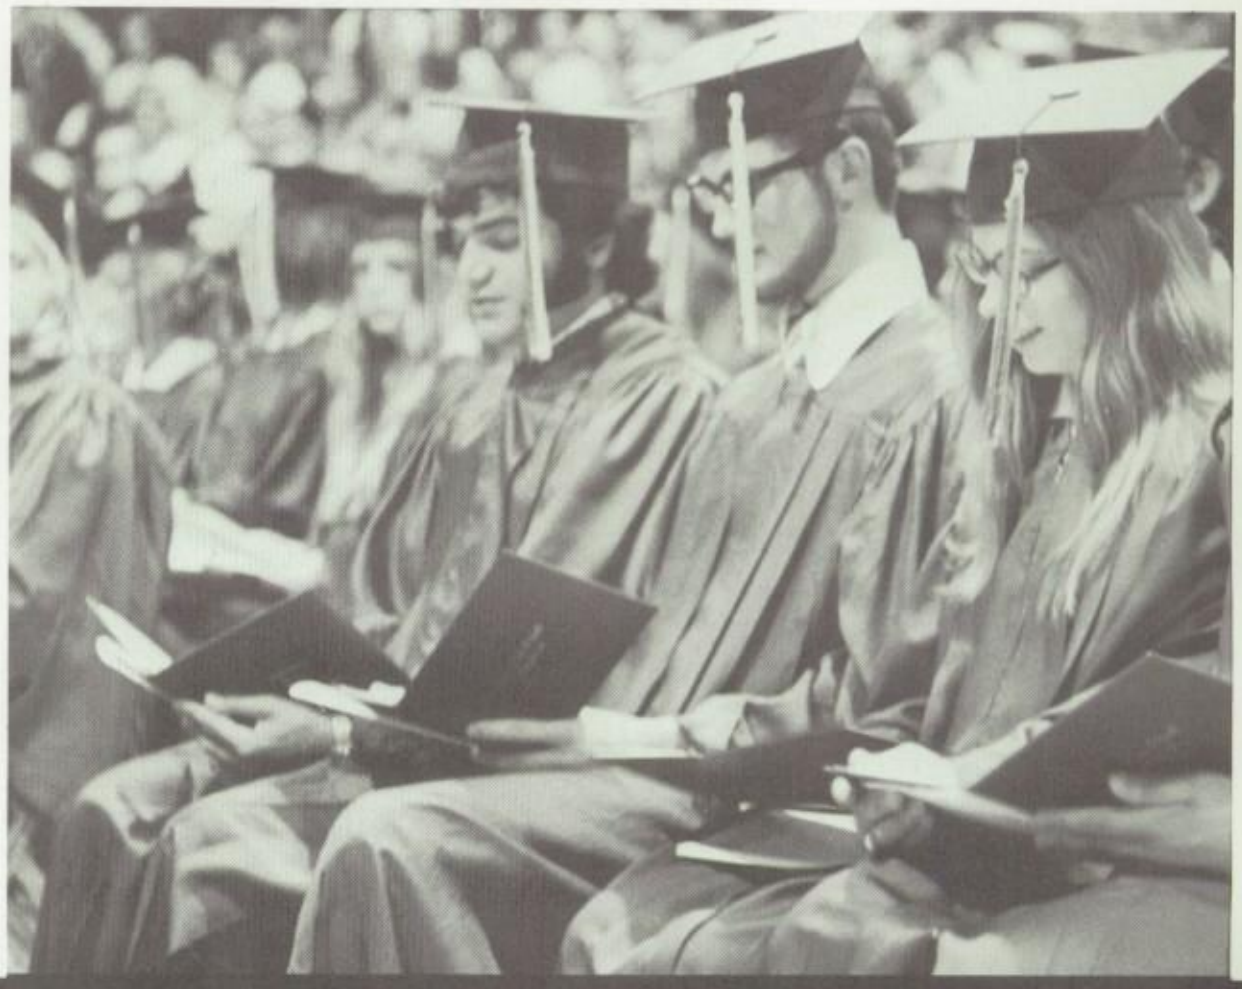
PROM 1972

"Around the World in 72 Days" was the provided theme for Prom 1972. Villa Olivia Country Club was turned into a ship of dreams of far off places for a night. A tissue paper balloon, a lighted fountain, and walks on the golf course added to the atmosphere, already created by a long dress and tuxedo. Music was provided for dancing until the early morning hours and then an impressionist entertained the crowd. By 2 a.m. every person, happy and sleepy left with many wonderful memories of Prom 1972.



A NIGHT TO REMEMBER





GRADUATION — 1972

Somewhere between tears of sadness and tears of joy, the 100th graduating class, the class of 1972, graduated from old Elgin High and began new lives as products of todays young adults. Graduation was upon us in no time at all. and likewise slipped away as fast. But in that short space of time, we looked back on those first days of high school and what it was like to be a sophomore, and at last escape the chains of Junior High. Our past three years have been full of memories which we'll both laugh and cry at the thought of the things we did both individually and as a class. But with all else aside, this has been the best and most important year. It marks an end to an old building, as well as friends and teachers we may not be seeing for a while, because this too has been committed to memory.
